YOUR FOOD SERVICE ACCOUNT:

Your student ID number acts as your account number. To activate your account, deposit any amount of money into "your" food service account. Due to the structure and set-up of SPHS, money will only be accepted for "your" food service account. Therefore, you must have money in "your" food service account to be able to participate in the food service program. Students who qualify for free or reduced-priced meals automatically have their account activated.
